Professional Summary

Creative and technically skilled WordPress Developer with 5+ years of experience building lightning fast, SEO optimized websites that convert. I specialize in Elementor Pro, WooCommerce, mobile responsiveness, Core Web Vitals, and backend automation. I've worked with global clients (UAE, Australia, USA) and turned complex ideas into clean, scalable solutions. **Looking for a fully remote opportunity starting August 2025.**

Key Highlights:

- Grew organic traffic by 147% for a Dubai client in 3 months
- Increased conversion rate from 0.9% to 3.8% after redesign
- Delivered 40+ websites with 100% client satisfaction

CORE SKILLS

- WordPress Development (Elementor Pro, Bricks, Gutenberg)
- WooCommerce, Custom Checkout
- Speed Optimization & Core Web Vitals
- SEO (On-page, Local, Schema)
- Mobile Responsive UI/UX
- Hosting, cPanel, Domain Setup
- API Integrations
- Google Analytics, Meta Pixel
- CSS, JS, PHP Basics
